Mert Bülent SARIYILDIZ

mbsariyildiz@gmail.com • mbsariyildiz.github.io
Master student at Bilkent University, Intern at NAVER LABS Europe

Research Interests

Computer vision and machine learning. Particularly, I study generative models and weakly supervised representation learning formulations for zero/few shot and semi-supervised learning problems.

Education

Bilkent University, Computer Engineering Department — **Ankara, Turkey**
M.Sc. in Computer Engineering — *09/2016 - present*

- Advisor: Asst. Prof. Ramazan Gökberk Cinbiş
- GPA: 3.71

Anadolu University, Electrical and Electronics Engineering Department — **Eskişehir,Turkey**
B.Sc. in Electrical and Electronics Engineering — *09/2011 - 05/2016*

- Advisor: Prof. Ömer Nezih Gerek
- GPA: 3.72
- **Ranked 1st in the Engineering Faculty**

Research and Work Experience

NAVER LABS Europe — **Grenoble, France**
Intern — *02/2019 - present*
Joined the Computer Vision team to study under the supervision of Dr. Diane Larlus and Dr. Julien Perez.

METU ImageLab — **Ankara,Turkey**
Member — *10/2017 - present*
A member of the vision group ImageLab at Middle East Technical University.

Bilkent University — **Ankara,Turkey**
Researcher — *09/2016 - present*
Studying weakly supervised learning problems and generative models. Between 02/2018 and 02/2019, my studies had been funded by TUBITAK (Scientific and Technological Research Council of Turkey) within the scope of a research project with title: "Learning Visual Recognition Models with Incomplete Supervision" and no: 116E445.

Visea Innovative Inc. — **Eskişehir, Turkey**
Project Engineer — *09/2015 - 08/2016*
Worked on developing computer vision algorithms, using C++ and C# languages, to address several industrial problems.

Aselsan Inc. — **Ankara, Turkey**
Intern — *07/2015 - 09/2015*
Worked on developing OpenGL based graphical user interface to visualize 360 degrees antenna measurements.

Teaching Experience

- *TA* – Bilkent University, CS102 - Algorithms and Programming - 1
- *TA* – Bilkent University, CS102 - Algorithms and Programming - 2
- *TA* – Bilkent University, CS113 - Introduction to Computing
- *TA* – Bilkent University, CS464 - Image Analysis

Publications

International Conference Papers

- M. B. Sariyildiz, R. G. Cinbis, "Gradient Matching Generative Networks for Zero-Shot Learning", in IEEE Conference on Computer Vision & Pattern Recognition (CVPR), Long Beach, CA, USA, June 2019 (oral presentation).

Translations

- *Deep Learning (Vol. 1), Goodfellow, I., Bengio, Y., Courville, A., (2016).* to Turkish. Chapters: *Structured Probabilistic Models for Deep Learning(16), Approximate Inference (19), Deep Generative Models(20).* Publisher: Buzdağı Yayınevi.

Talks

- "Generative Models for Zero-shot Learning", METU ImageLab seminar, Ankara, Turkey. 11/2018
- "Exploiting Unsupervised Data for Zero-shot Learning", Bilkent University CS590 research seminar, Ankara, Turkey. 11/2017

Professional Activities

- Reviewer for IEEE Int. Conf. on Computer Vision and Pattern Recognition (CVPR)
- Reviewer for IEEE European Conf. on Computer Vision (ECCV).

Honors and Awards

- Research & teaching assistantship, full tuition award by Bilkent University. 09/2016
- Ranked 1 st at graduation from Anadolu University, Engineering Faculty. 05/2016
- 6 certificates of high honor by Anadolu University, Electrical and Electronics Engineering. 2012-2016

Research Grants

- *Virtual Eye*, assistive device for visually impaired people. Fundings granted by TUBITAK(Scientific and Technological Research Council of Turkey) 2209B Undergraduate Research Project Support and Savronik, 2016.

Skills

Technical

C/C++, Python, JAVA, MATLAB, TensorFlow, PyTorch, OpenCV, Qt, git

Language

Turkish (native), English (fluent)

References

Available upon request.
